

## Year Two Spring Newsletter 2026

Our new learning theme for Spring I is Habitat Havens and Spring II is Castles and Dragons.

Our curriculum overview for Spring I and knowledge organiser can be found on the School website located in the Year 2 section.

Thank you to the children who complete their weekly homework.

It is noticeable that children who regularly carry out homework tasks are transferring their knowledge to their class work. We will continue to set homework on a Friday, to be completed by 5pm, the following Thursday.

Please keep reading with your child as much as possible, whether it be a comic, information book, story book or annual. Your child also has a school book and library book that is sent home weekly.

We are excited to share that our school library has recently received a wonderful selection of new books for the children to borrow and enjoy at home.

When your child brings home a library book, you may notice that some of these new titles look a little different. In particular, they will have:

- A sticker on the spine that says **"School Library Service (SLS)"**
- A **Portsmouth City Council - School Library Service** sticker inside the front cover

These books are part of a special loan from the Portsmouth School Library Service, which allows us to offer a wider variety of information books to inspire our pupils' love of reading.

With Best Wishes,

Mrs Crangle, Miss Morris and Miss Ramshaw  
Mrs Curry, Mrs Loy, Mrs Mason, Miss Reid, Mrs White  
The Year 2 Teaching Team
